## TOOL TROLLEY IN HAZET DESIGN - PURE ENTHUSIASM!

**YOUR BRAND,  
YOUR STYLE,  
YOUR PRIDE:  
YOU ARE HAZET!**

**SPECIAL EDITION:** Don't be ordinary - stand out from the crowd with the *Assistent*<sup>®</sup> 179NXL-8S1 in a specially designed special edition. Show your enthusiasm for quality and your passion for our brand!

**STRONG BRAND:** The right tools and your trust in our HAZET quality products are crucial "to take your work to the next level". With our tool trolleys, you are opting for genuine professional quality that has been inspiring customers for generations.

**MADE IN GERMANY:** Every HAZET tool trolley proudly bears this promise. This is where innovative solutions meet first-class workmanship - for anyone who wants more than just tool storage.

### PULL-HANDLE

- Ergonomically optimised pull-handle for better manoeuvrability

### BODY

- Extremely robust design thanks to double-walled structure
- Optimised, yielding edge protection on all four corners with real impact protection thanks to internal damping concept

### LOCKING CONCEPT

- 2-stage locking:
  - Central locking
  - Mutual drawer locking for minimum tilting risk

TOP QUALITY THAT SPEAKS FOR ITSELF!

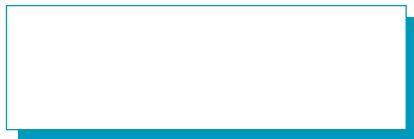

NEW!

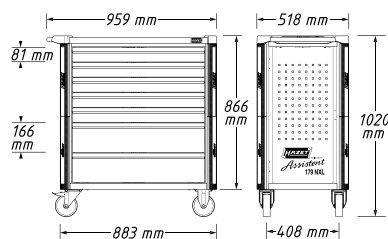

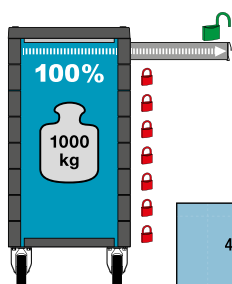

Assistant®  
Special edition

179NXL-8S1

EAN-No. 4000896274802

Drawer  
configurator tool

#### DRAWER CONCEPT

- Self-closing and mutual drawer locking prevents unwanted opening
- 100% slide-out with ball-bearing telescopic rails

#### PRODUCTION:

 **Made in Germany**

HAZET is known for the highest quality and for innovation and is therefore a true ambassador of "Made in Germany" brand products. We are proud of the fact that an exceptionally high proportion of our tools are manufactured in Germany. This provides us with access to skilled labour, first-class resources and advanced infrastructure.

#### HIGH PERFORMANCE CHASSIS

- Large, heavy duty castors (Ø 125 mm)
- 2 swivel castors with dual brake
- Protective ring prevents dirt and threads from getting in

## UNIVERSAL TOOL BAG, SMALL

With practical document cover

Compact tool bag - everything you need, in immediate reach!

With 51 expert tools

NEW!

51

- Easy to stow away and convenient to transport thanks to its compact format. Flexible use and ideal for on-the-go, on the construction site or for at home
- Small, robust tool bag for professionals or DIY enthusiasts for all quick and uncomplicated screwdriving work
- Compact, handy design
- Durable, easy-to-clean, wipe-clean material
- Firm footing thanks to stable base - ideal for placing on all work surfaces
- Additional storage space thanks to transparent inner pocket with zip, for small parts
- Quick access to the most important tools with an optimised overview

# 1/2" · 3/4" Sockets with joint Suitable for impact wrenches

## 1/2" · 3/4" Impact universal joint sockets

- Hinge with 25° angular movement for use in spaces with restricted access and for getting around obstructive edges
- Short, space-saving design suitable for impact wrenches
- Particularly suitable for automotive applications, where space is limited, for chassis and brake repair, and in the engine compartment
- For industry or passenger cars, commercial vehicles and agricultural workshops
- With traction profile
- Surface: burnished, oiled
- DIN 3121

All three 1/9 inserts result in a 1/3 insert:

**Made in Germany**

## Cordless impact drill, 18 V

- Electronic Management System (EMS) protects the machine, extends service life and increases efficiency
- Anti-kickback switches off the motor when screw connections and drill holes are blocked, preventing the wrist from twisting
- Turbo mode for faster and more powerful working. Switching on turbo mode achieves up to 27% higher rotation speed
- Maximum torque of 158 Nm for drilling, impact drilling and screwdriving, even in extreme applications. The selected torque setting is retained when switching from the drilling to the impact drilling function thanks to direct switching
- Forward/reverse with switch-on lock
- Electronic emergency brake
- Robust die-cast aluminium gearbox housing
- Quick-action drill chuck in metal design with thrust ring and auto-lock function
- Ergonomically designed, non-slip, rubberised handle
- Integrated LED light with persistence afterglow
- LED rechargeable battery capacity indicator
- Includes mountable auxiliary handle, belt clip and bit storage
- Sound pressure level LpA: 93 dB(A)
- Sound power level LWA: 104 dB(A)
- Uncertainty: K = 3 dB (A)
- Vibration level ah, D: 3.24 m/s<sup>2</sup>
- Uncertainty: K = 1.5 m/s<sup>2</sup>

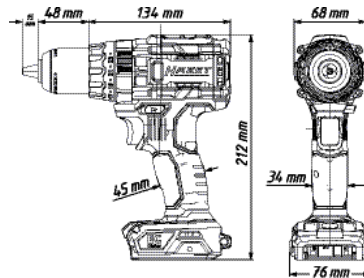

**NEW!**

Compatible with all 18 V rechargeable battery packs of the 9500 series

**Maximum torque:  
158 Nm**

**With impact  
function!**

Without rechargeable battery and charger

- Revolutions per minute: 2450
- Weight (without rechargeable battery): 1.9 kg

**9512-950/4**

EAN-No. 4000896272716

## 1/2" Impact wrench

- Loosening torque (max.): 1700 Nm determined with screw size M: 16
- High performance twin hammer mechanism
- Higher power output, more efficient air flow and improved response torque of the air motor
- Specially heat-treated internal parts for wear reduction
- Reduced vibrations
- Easy to use
- Revolutions per minute: 8491
- Air requirement: 198 l/min
- Sound pressure level: 91.33 dB(A) Lp A
- Vibration acceleration: 6.11 m/s<sup>2</sup>
- Weight: 2.15 kg

## Multitool 13-in-1

- Universal tool with 13 practical functions
- Particularly suitable for domestic and leisure applications, e.g. cycling, camping, outdoor, fishing
- Material made of high-quality stainless steel
- Ergonomically shaped handle with rounded finger rest
- Light and handy design
- With a practical belt clip
- Including sturdy belt bag

- 13 practical functions:
  - ① Pointed pliers
  - ② Combination pliers
  - ③ Diagonal cutter
  - ④ Knife
  - ⑤ Scissors
  - ⑥ Multi-purpose cutter
  - ⑦ Bottle opener with flat screwdriver, s 5 x 0.1 mm
  - ⑧ Can opener with flat screwdriver, s 3 x 0.1 mm
  - ⑨ Phillips-Recess screwdriver, PH2
  - ⑩ Mandrel
  - ⑪ File
  - ⑫ Saw
  - ⑬ Hexagon key s 7, 8, 10, 14 mm

**The practical helper  
for all occasions!**

## LED penlight, focusable

- Highly efficient light output of up to **500 lumens** - Light range of up to 100 metres
- 3 levels of brightness: 20%/50%/100% (regulated via on/off switch)
- Optimal illumination of dark work areas in industry, workshops, for hobbies or at home
- Aluminium housing (black anodised) stops dust and splash water entering the internal parts (IP44)
- With high-quality pen clip
- Number of rechargeable batteries/batteries: Dual Power: can be operated with a 3.7 V - 750 mAh Li-Ion rechargeable battery (included in the scope of delivery) or 2 AAA alkaline batteries LR03, 1.5 V (not included in the scope of delivery)
- Charging indicator: Red during the charging process, green when fully charged
- Weight: 61 g (including Li-Ion rechargeable battery)
- On/off switch can be easily operated even when wearing gloves
- LED technology: XPG4
- Protection rating (IP): IP44
- Protection rating (IK): IK08

**NEW!**

**Choice of rechargeable battery or battery!**

Extendable head for switching between flood and focus light

Rotatable charging port cover

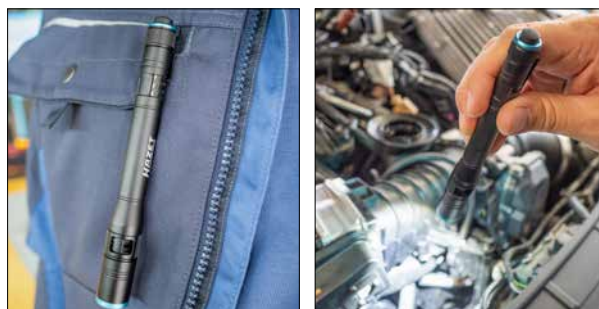

Incl. USB-C charging cable, 50 cm

**1979-74**

EAN-No. 4000896272853

## Magnetic pick-up tool

- Permanent magnet
- Flexible shank
- For easily picking up metal objects from installation spaces that are difficult to access
- Special design prevents unwanted rolling away
- Hanging hole in the handle keeps the workshop tidy

Two-coloured handle = three plastics:

1. Hardened core holds the lance extra-firmly in position
2. Soft component ensures very good grip even under difficult working conditions and with lubricating surfaces (oils, greases)
3. Hard component (very robust) gives the perfect shape, stability and a premium feel with every search operation

## Brake piston readjusting pliers for bicycles

- Pressing back the brake pistons on hydraulic disc brakes on bicycles
- Time-saving: no need to remove the wheel
- Easy application and safe working
- For two-piston brake systems with an opening > 20 mm
- Working range: 4 – 15 mm
- Toggle lever mechanism ensures easy resetting of the brake pistons with little effort
- Comfortable grip thanks to double dip coating

**NEW!**

Made in Germany

4971-5

EAN-No. 4000896272754

### Easy application:

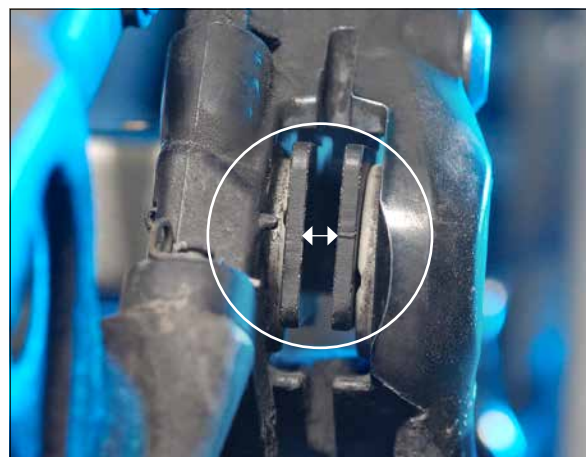

- Position the pliers between the brake pistons (without brake pads) and press the pliers legs together
- No need to remove the wheel

### Safe working:

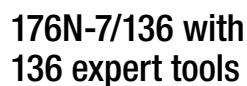

- Parallel spreading process avoids risk of tilting or damage to the brake pistons, especially in ceramic brake pistons
- Type of actuation provides users with feedback on the piston's movement

### Tip:

- Open the expansion tank before pushing back the pistons. Only push the pistons back until they lay flush in the brake calliper. When the wheel is fitted, ensure that the brake disc is positioned between the plates.
